

**2 Megapixel  
Wall Plate Camera  
HD Over Coax / HD-TVI****Description**

The CCT2J25 Wall Plate camera provides high quality video at 2 megapixel resolution over existing coaxial cable. Costar's new line of HD-TVI cameras are compatible with the ET Series DVRs and StarNET Video Management Software. StarNET is the remote access software that allows users to remotely view live and recorded video. StarNET incorporates features such as advanced event notification, map monitoring, system status monitoring and many more.
